Organized by REDI – The Richmond Equitable Development Initiative
REDI is a collaborative of environmental and social justice organizations envisioning a community where every Richmond resident has access to affordable housing, safe and reliable public transit connected to living-wage jobs, quality education, a clean environment, health care and other essential services. REDI includes: ACORN-Richmond Chapter, APEN – LOP, CCISCO, Communities for a Better Environment, EBASE, Faith Works, GRIP, and Urban Habitat.
